*... the Dance Goes On!!*

*Scottish Country Dance Music*

The Macadians have been sharing their music at dances, ceilidhs, workshops and weddings throughout Atlantic Canada for almost a quarter of a century. This recording presents a selection of music for 4x32/40 Jigs and Reels from the Celtic traditions of Scotland, Ireland, Eastern Canada and Appalachia. The music was previously released separately on audio cassette as "Burns Night in the Annapolis Valley" and for Dance Nova Scotia's Education Unit "A Jig 'N' A Reel" designed to introduce Scottish Country Dancing in the public schools. The Macadians hope this collection of favourite toe-tappers will keep your spirits high and your steps light as ... *the dance goes on!!*
