Presenting the LOTHIAN SCOTTISH DANCE BAND

Introducing a talented new Scottish Band is never an easy task—yet in the short time that the Lothian Scottish have been together they've quickly established themselves as one of the leading bands in the country and here with their first record for R.E.L. they demonstrate just why they're in demand from Mull to Berwick, Dumfries to Wick. During the past 2 years the band have also been busy with Broadcasts and live engagements and were privileged to be invited to play for the Commonwealth Prime Ministers' conference at Gleneagles Hotel. So it's been an eventful time for the band and we hope you'll enjoy the result—here on record—as much as we've enjoyed making it.
