Dear Miss Adams

You have been pleased I hope as I keep  
my children. I do hope that the enclosed will do. I  
hope I had been made my humble gift - a book  
particularly of S.C.D. as that is after all my real  
contact with you as a teacher. I have made it very  
simple as I myself always look with a jaundiced eye  
on the glib testimonial!

But you think you would really like this job!  
I think you should consider well before you throw up  
your very excellent position. Of course you know that I  
think you are doing far too much. I really do  
think you would be well advised to drop all but your  
S.C.D. work which has always been a source of real  
unadulterated satisfaction to you. However, that is your own  
business but at the moment I think these points are  
being overestimated. How long will this deep pit crease  
last do you think! When I say crease don't misunderstand  
me it is splashed but I think it is just a little  
overstressed at the moment.

Yours truly  
Good luck to you  
Jean Milligan

I have pleasure in speaking of Miss Florence Adams as a successful and enthusiastic teacher of Scottish Country Dancing. Miss Adams has conducted for several years a class for the Scottish Country Dance Society and has shown that her work with adults is as successful as her work with the children in Craigieburn School. Thus she is Infant Mistress.

She is especially good in her coaching of candidates for the Scottish Country Dance Teachers Examination — her candidates making, always, a very good appearance both as performers and teachers.

Miss Adams' interest does not lie in Scottish Country Dancing alone; she takes a deep interest in all forms of Physical Recreation. Her influence is widely felt in the neighbourhood in which she works and its results are seen in the affection and respect in which her pupils old & young hold her.
