SET AND HONOUR
18 English Country Dances

edited by **MARGARET GRANT**

PREFACE

The notation of these dances taken from Playford's *English Dancing Master* is based on Cecil Sharp's original transcription and the practical experience and teaching of Mrs Margaret Grant. The instructions are not given in full detail but are intended as an 'aide memoire'.

The dances included in this book are taken from *The Country Dance Book*, Part II, published by Novello and Company Limited.
