Annual Report

1993 was a landmark in the history of the Society when we were able to glance back seventy years to its inauguration. In this year's report we must consider the progress that has been made during the year and look at the need for new measures which will ensure the continued progress of the Society. Undoubtedly a great deal is being done by Committees and the Society is aware that there must be a continuous drive to attract new members. Our annual research brings out the fact that the year under review has shown no dramatic expansion.

Membership

The membership figures for the year under review stand at 24,563 (last year 24,839). However, once again this is an approximate total because the membership returns for twenty Branches had not been received at Headquarters at the time of going to press.

At 30 June 1994, the estimated membership was composed of 17,409 Annual Members (last year 17,363), 3919 Long Term Members (last year 4095) and 3235 Life Members (last year 3372).

Branches

Anniversary greetings this year went out to Exeter, Melbourne & District and South Wales Branches, all of which were celebrating their Silver Jubilee.

During the year we welcomed two new branches – the Ribble Valley Branch and Retford Branch. We are delighted about this increase to our numbers and wish these new Branches much success. These additions give us a total of 163 Branches (95 Home and 68 Overseas) plus the Australian Teachers' Association and the Teachers' Association in Canada.

Affiliated Groups

Approval was given to 17 applications for affiliation. With one group becoming a Branch (Retford) and other groups ceasing to exist or not renewing their membership we end the year with a net figure of 502.

General Purposes Committee

The General Purposes Committee met on three occasions during the year (October, February and April), twice under the Convenership of the Society's Chairman, Miss Miller, and once under the Convenership of the Vice-Chairman, Mr Lawson.

The work of the Committee again included consideration of Branch Constitutions and Rules, applications for affiliation and for Branch formation.

The sub-committee appointed to make preliminary scrutiny of nominations for Scrolls recommended that from the ten nominations received, four should be accepted for award.

Finance Committee

The Finance Committee met five times during the year under the Convenership of Mr Keith Stacey. At their first meeting the Treasurer advised the Committee that The Charities Accounts (Scotland) Regulations had come into force recently and that this would require the Statement of Accounts to follow a particular format. Consequently a sub-committee was appointed under the Convenership of Mr James Brown to review the new charities' legislation and to consider how its implementation would affect the Society. Mr Brown presented the report from this sub-committee to the May meeting of the Executive Council which accepted the report by an overwhelming majority. A summary of the report appears on page 11 of this Bulletin.

The financial report will, as usual, be presented by the Finance Convener at the Annual General Meeting.

Publications and Research Committee

The Committee, of which Mr John Drewry is Convener, met five times during the year with two additional meetings for the purpose of recordings. Miss Muriel Johnstone who normally arranges the music in the Society's publications, Mrs Sheena Sturrock, Miss Angela Young and Mr Andrew Lyon were co-opted to the Music Sub-Committee.

During the year a list was compiled of all RSCDS publications giving either the date of printing or the date of revision and appears elsewhere in this Bulletin. However, the main publication in any year is, of course, the subscription book. This year it is Book 38.

A video of the dances from the new book has been made in good time for Summer School thus enabling Course 1 and Course 2 to buy it at St. Andrews.

Two new records and cassettes were produced – Book 38 dances and Book 17 dances. It was necessary to exclude dances Nos. 4, 6 and 8 from the LP of Book 17. However, all twelve dances are recorded on the cassette.

At the time of going to print, work is progressing on the production of a video to accompany the Manual of Scottish Country Dancing.

Examinations Committee

The Committee held three meetings during the year, one under the Convenership of Mrs Mina Corson and two under Mr Alastair Aitkenhead who was appointed Convener in November 1993.

Examinations were held during the year in Manchester, St. Andrews (Summer School), Sydney, New Zealand, Kirkcaldy, Glasgow, Staveley, Stewartry, Somerset, Newcastle and Tokyo. Altogether 50 candidates passed the Preliminary Test and 20 failed. In the Teacher's Certificate 56 candidates were successful and 16 failed. We regret that York and North Humberside were omitted from the list of centres where examinations were held last year.

Complying with a remit from Publications Committee recommending that the set dances for the Preliminary Test and the Teacher's Certificate should be updated to correspond with the current wording in the Books, the Examinations Committee has now issued the dances with the necessary amendments.

The Committee has spent much time discussing the procedure regarding potential examiners whose names have not been added to the list of Society Examiners. So far no final decisions have been reached.

The course arranged for Tutors and Potential Tutors took place in March. It was well attended and the general feeling was that it had been a very worthwhile project. However, for any future course it may be possible to have one course for Tutors and one for Potential Tutors rather than a combined group.

Ten pianists attended another successful Music Course which was held in May. Miss Muriel Johnstone and Mr Robert Mackay were Course Director and Course Tutor respectively.

An Examiners' Seminar has been planned for 9 September, 1995.

Summer School Committee

Under the Convenership of Dr Alastair MacFadyen, Director of Summer School, the Committee met in September and February.

At the 1993 Summer School the number attending was 797, down on the previous year when 844 were present. It is pleasing to report that the projected attendance for the 1994 School is 890, at which Miss L. Martin and Mrs M. MacRae have been appointed Depute Directors for the first and second courses respectively. Five applicants have been awarded scholarships from the Jean Milligan Memorial Fund to attend. The Very Advanced, Fully Certificated Senior Class, introduced in 1992, has now become an established part of the programme.

Places were allotted to students from the following countries of residence:

Australia	17	Netherlands	18

Summary of Report to Executive Council from Sub-Committee reviewing New Legislation relating to Charities in Scotland

The Report was presented to the Executive Council by Mr James Brown, Convener of the Sub-Committee.

Mr Brown reminded the Council that the Sub-Committee was set up to review the new charities legislation and to consider how its implementation would affect the RSCDS.

The Report discussed the Society's charitable status as presently constituted and considered the advantages and disadvantages of retaining charitable status. Having concluded that the advantages outweighed the disadvantages, the Report recommended a future structure for the RSCDS which, by giving autonomy to the Branches, avoided the need to comply with some of the more onerous requirements of the new legislation and at the same time retained the essential ethos of a world-wide organisation.

The Report, therefore, recommended certain basic principles based on this philosophy but was not intended to cover the detailed changes in the constitution which would be required if the recommendations were accepted, nor did it cover the fine details of implementation, decisions concerning which were still required. Having opted for the retention of charitable status subject to the Branches being granted autonomy, the report recommended that the Branches should be formed into Local Associations, each of which would be required to enter into an agreement with the RSCDS and pay a capitation fee annually in respect of its members.

Other provisions in the report included the recommendation that the RSCDS form itself into a company Limited by Guarantee. The word "Limited" need not be used in the RSCDS title.

The trustees who would have collective responsibility administering the affairs of the Society would be the Conveners plus one from each Standing Committee and the Vice-Chairman – a total of 11. The trustees would also be the Directors of the Limited Company.

The present Executive Council would be replaced by a "Council" and a system of proportional representation of Local Associations was recommended with a minimum of one representative and a maximum of four according to the membership of the Local Association. Functions of the Council would include the appointment of Trustees/Directors; the monitoring of standards; the publication of instructional literature and other relevant material; the provision of qualified examiners and the holding of a Summer School.

With reference to affiliated groups the report recommended that these should be a matter for Local Associations and would no longer be affiliated to Headquarters.

The somewhat anomalous situation of "Headquarters Members" was dealt with and the Report recommended that all members of the RSCDS be also members of a Local Association unless granted dispensation by the Council.

The Report emphasised its aim of ensuring that Local Associations should feel themselves to be part of the Society, linked through their individual members and their representatives on the Council.

Finally, Mr Brown pointed out that to achieve the recommended revised structure of the Society, radical changes in the present Constitution would be necessary and if the Report's recommendations were accepted, this would have to be the next step which the Executive Council would need to consider.

After considerable discussion and an assurance that guidance would be given to Local Associations on how to achieve charitable status, the Executive Council agreed overwhelmingly to accept the Report.

Annual Workshop and Ball

5th-6th May 1995

Dancing on Whistler Mountain!!

Whistler village resort in British Columbia's spectacular coastal mountains is the site of our 1995 workshop and ball and we extend a special invitation to dancers throughout the world to join us for this memorable weekend event.

Classes are offered for all levels of dancers, and workshop instructors are chosen from North America's most prominent teachers. The weekend gets off to a great start with a ceilidh, and ends with a formal ball.

Just a short drive from Vancouver on the spectacular Sea to Sky Highway, Whistler village, nestled in the coastal mountains of British Columbia, is an award winning ski resort, but once the ski season is over, the village is transformed and the chairlifts and gondolas take you to hiking trails in the heart of breathtaking scenery. Other outdoor activities include tennis, windsurfing, mountain biking, river rafting, hot-air ballooning and a world-class golf course, designed by Arnold Palmer. After the workshop, visit nearby Vancouver or take a scenic ferry ride to Victoria, the provincial capital.

We welcome you to join us for the workshop and ball, make new friends from Canada and the United States, and afterwards extend your stay and discover beautiful British Columbia for yourself.

IMAGINE A SUMMER SCHOOL IN THE SOUTH PACIFIC

The New Zealand Branch
invites you to Auckland for our 1995-96 Summer School,
28 December 1995 to 7 January 1996.

MOUNT ALBERT GRAMMAR SCHOOL, the venue (5 kms from the centre of the city), provides us with all modern facilities.

Accommodation is provided within walking distance in Tourist Motels (courtesy cars will be available). Each unit, single, double, twin, or family, has its own private amenities.

GRADED morning classes are offered at all levels. PRELIM and CERTIFICATE examination classes also, where there is sufficient demand.

Morning classes, afternoon activities and evening functions are all part of your Summer School experience.

Next door to the school is the School Farm and 3 km away the Auckland Zoo and the Museum of Transport and Technology. A nearby public golf course welcomes visitors and the largest shopping complex in New Zealand is within a 10 minute walk.

Auckland is the gateway to New Zealand and the largest Polynesian city in the world.

Here you can experience sailing, tramping, island exploring, surfing at ocean beaches, museums and art galleries, all within 40 minutes drive from the venue.

Parks and volcanic cones (extinct) are in every suburb, giving open spaces, clean air and splendid views whichever way you look.

Escape from the northern winter to where a warm welcome awaits you at our 1995-96 SUMMER SCHOOL.

small factory in Fife

Dance World '94

The Royal Ballet School, The Royal Academy of Dancing, The Royal Scottish Country Dance Society . . . Our Society was in there with the best of them in February at Dance World '94 held at the Barbican Centre, London. Dance World was an international celebration of dance ranging from ballet to ballroom, jazz to tap and disco to traditional Scottish and English Country Dance. Numerous commercial companies and teachers' organisations were also represented.

With financial support from the Jean Milligan Memorial Fund, the Society's stand was staffed by members of Croydon, London and Tunbridge Wells Branches. In addition some of the decor was provided by the Berks/Hants/Surrey Borders Branch. Walkers Shortbread Ltd. supplied shortbread for us to give to visitors, and James Senior of St. Andrews arranged a display of Scottish Country Dance footwear. The Society's tapes and books were on sale, and we had plenty of literature to give away advertising RSCDS and other Scottish Country Dance events.

During the four days of the exhibition several hundred visitors came to the stand and over 250 of them expressed a serious interest in Scottish Country Dancing; ranging from people who had danced Scottish at school and wanted to take it up again, to dance teachers who wished to include some Scottish in their syllabus. Enquiries came from as far afield as Mexico and Japan. The London Branch demonstration team performed in the Barbican foyer to a large audience, and Jenny Greene led a Scottish Country Dance workshop for beginners which was fully subscribed.

Dance World was an opportunity for the Society to raise its international profile alongside many other styles of dance. The support from Headquarters and the teamwork of the Branches involved ensured that the opportunity was not missed. The experience we gained over those four days, not to mention the panic leading up to the event, will put us in good stead for Dance World '95 which is to be held at Olympia, London, from 31 March to 2 April, 1995.

Mary Stoker (London Branch) and Peter Knight (Tunbridge Wells Branch) assist visitors at the Society's stand at Dance World '94. (Photograph by Apollo).

The Jean Milligan Memorial Fund

The fund continues to grow with some Branches, Groups and individuals making regular donations, and to those concerned we are especially grateful.

This year the Memorial Fund interest was used in several ways. Firstly, it has again provided for five scholarships at Summer School this year. Earlier in the year it supported the successful Course for Tutors and Potential Tutors by being responsible for the fees and providing lunch for those attending.

Another course to benefit from the Fund was the Music Course attended by 10 pianists for whom the overnight accommodation for the duration of the Course and the Course fees were provided, also the fees of the Course Director and Tutor.

Two other projects supported by the Fund included Dance World '94 (see report elsewhere in this Bulletin) and The Young Scottish Dancers Association.

Chairman's "Vision" Fund

We are happy to report that the Fund has continued to grow and we are greatly indebted to all who have contributed to it. During the year we were able to restore the lovely parquet floor in the Committee Room by sanding and polishing, and rather a handsome clock was purchased for the marble mantelpiece. New vertical blinds have been provided for the front office and venetian blinds in the basement rooms. We are now planning to purchase a new rug to cover the central floor area of the Committee Room.

PIBROCH OF MY CLAN

Cameron Chattan
MacFarlane MacGregor MacDonell (MacDonald)

Every clansman owed military service to his chief, and every clan regiment had its own pibroch to rally its fighting men in the heat of battle. If your name appears above or you are a member of a sept of these ancient clans, you can proudly say: "This is The Pibroch of My Clan".

The five clan pibrochs, printed and framed (17" x 13") in old silver and black, are decorated with the clan crest and Celtic designs and contain a history of the clan and the tune where known. The titles are printed in both Gaelic and English and have been lovingly retrieved and published for the first time from the authentic manuscripts of Pipe Major John MacDougall Gillies (1854-1925), the leading piper and collector of his generation, and handed down unchanged through the finest pipers of their own generations from the famous John Mackay (born c.1767). He was an orphan boy taken into the home of Capt. Malcolm MacLeod of Raasay, himself a piper and composer, who was Prince Charles Edward Stuart's personal bodyguard and boatman when he was a fugitive on the islands of Raasay and Skye after Culloden in 1746, and was later pilot to Boswell and Johnson during their Hebridean tour in 1773.

Another 15 pibrochs are in preparation for other clans. If you need help in establishing to which clan you belong, you only have to ask us.

Price: £34.50 + P&P (UK £5.50, Abroad £6.50), Access, Visa, Mastercard, Eurocard

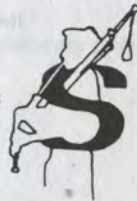

*From the lone shieling on the misty island,
Mountains divide us and a waste of seas.*

*But still the blood is strong, the heart is Highland,
And we, in dreams, behold the Hebrides.*

CHAIRMAN'S REMARKS

The Chairman first read a message from Her Majesty the Queen in which she sent her warm thanks to the Executive Council and Members of the Society for their loyal greetings sent on the occasion of the sixty-fourth Annual General Meeting. As Patron of the Society, Her Majesty much appreciated this message and sent her good wishes to all for an enjoyable and successful meeting.

The Chairman then welcomed all delegates and members present to the sixty-fourth Annual General Meeting. She reminded everyone that it was also the seventieth anniversary of the Society and therefore a time to reflect on the achievements of the past.

She added, however, that the Society cannot live in the past but has to go forward. Her "vision" for Headquarters was now a reality and she urged members to visit Coates Crescent to see what had been accomplished.

Finally the Chairman extended a special welcome to all those who were attending for the first time and especially to the five present who would receive the Society's Scroll in recognition of the service they had given to the Society.

MINUTES

The Minutes of the Annual General Meeting on 7 November 1992, having been in delegates' hands for several weeks, were taken as read.

Miss L. Martin (Aberdeen Branch) proposed and Miss F. Mitchell (Birmingham Branch) seconded their adoption, which was carried unanimously.

ADOPTION OF THE ANNUAL REPORT

The Secretary reminded delegates of the Resolution put forward by Southport Branch and carried at the Annual General Meeting the previous year. The proposal was "that the Annual General Meeting should approve in principle the introduction of Junior Membership for under-16s and direct the Executive Council to formulate the details with a view to introducing the arrangements in July 1993".

The Secretary reported that arising from this proposal, a Sub-Committee had been appointed to discuss the feasibility of Junior Membership and after considerable discussion about ages, subscriptions, newsletters, benefits, rights and other matters, it was finally felt that the existing Junior Associates system which had been operating successfully in several Branches for some time should be retained and strengthened. The Sub-Committee recommended that the status of Junior Membership was unnecessary and that the Junior Associates system at present in the Constitution should be expanded. These recommendations were accepted by the Executive Council.

The Secretary then referred to the Young Scottish Country Dancers Association which, she said, had become confused in some quarters with the Junior Membership proposal. The aim of the Young Scottish Country Dancers was to encourage schools and other groups to be involved in Scottish Country Dancing. Since its inauguration, 78 schools had joined the Association for an annual subscription of £10. Mrs Moore wished the Association every success.

Mrs Moore then briefly outlined the work of the Standing Committees during the year. She said that members would be aware that for the last couple of years the Publications and Research Committee had been greatly concerned with the format in which future recordings should be produced. A decision had been made earlier in the year to produce two Compact Discs from previously recorded music. The Secretary said that these had been available since the early summer and had been in the shop at Summer School. Unfortunately, despite the apparent demand for Compact Discs, the Secretary reported that so far sales had been very disappointing and unless there was some improvement it would not be possible to produce further Compact Discs in the immediate future.

Before concluding her remarks, Mrs Moore mentioned new legislation governing Scottish Charities. She said that the Charities Accounts (Scotland) Regulations came into force on 30 September 1992. This Act insists that the statement of accounts must follow a particular format and must be accompanied by an annual report setting out the activities of the charity and the objects of the organisation.

Mrs Moore said that arising from this legislation major decisions had to be made and the Society would have to consider certain questions. Can the Society remain a charity and if so, who are the trustees? Should the Society become a limited company? Such a course would mean a change of Constitution and the appointment of directors. The status of Branches within the new Act must also be considered.

Because the situation is a complex one and not clear, Mrs Moore said a sub-committee had been appointed to look at the problems posed by this Act and to consider the way forward for the Society.

In conclusion, Mrs Moore expressed her appreciation to all Branch Secretaries for their cooperation during the past 12 months. She especially thanked the Chairman, Miss Miller, for her support and consideration throughout the year; the Committee Conveners for their continued help and her staff for their dedication and willing assistance.

The Annual Report was adopted unanimously on a proposal by Mr W. Hamilton (representing Detroit Branch) seconded by Mr Alan MacPherson (representing Northern Territory Branch).

ADOPTION OF THE ANNUAL ACCOUNTS AND BALANCE SHEET

The Annual Accounts and Balance Sheet included in the Bulletin had been in delegates' hands for some weeks. Mr K. Stacey (Doncaster & District Branch) said that it gave him great pleasure to present the Annual Accounts and Balance Sheet because, on the whole, we had had a very rewarding year.

Previously the Society's full financial turnover had not been apparent but, as members could see, we were fast approaching the half-million pound mark. This had not been achieved by short-term planning or action but by long term strategy. Mr Stacey said that members would appreciate that because of the structure of the Society it was not easy to change the running costs nor increase the income at a stroke.

Mr Stacey said that over the past year, the Finance Committee had looked at several ways of securing our financial status but occasionally things required rapid action. He continued, that over the next two or three years the Society may need to change because of the new Charities Act. If this comes about, the role of the Finance Committee would certainly have to change. The budgeting and running structure of the Society would be more concentrated and run more along business lines. The Committees would need to be more involved with the financial aspects of Society expenditure. Without budgets from committees our forward expenditure cannot be planned accurately and would mean extremes of plus or minus balance sheets which would leave the Society very vulnerable. It was therefore important for all committees to budget for their requirements.

Referring to the Income side of the Income and Expenditure Accounts, Mr Stacey said that the major increase had come from subscriptions which are now showing the benefit of the change of percentage split from 50/50 to 60/40 on the last round of subscription increases.

Last year's budget of £58,000 was exceeded by £14,338. Income from affiliated groups was lower by £175.00. Royalties income increased handsomely from £1210.00 to £4166.00. This was from Phonographic Performance Limited, The Performing Rights Society, The Mechanical Copyright Protection Society, and James Senior.

Summer School figures heighten the seesaw of budget variances. 1992 Summer School attendance was 5% over the break-even point. 1993 attendance was below the break-even point so a loss was recorded which will show in next year's figures.

Sales of publications and records were up on 1992. The sale price of publications had been substantially increased this year to take account of printing costs which have been steadily increasing over the past few years with no price increase for some years.

Other incomes were up and this was reflected in the increases in examination receipts of £1,001 and increased investment income.

On investments, Mr Stacey mentioned that we had changed our brokers this year to try and increase and improve our return on stocks with better and more frequent advice. He added that we had also given more autonomy to the brokers to move stocks as required with the approval of the Treasurer and that we would be receiving reports from the brokers periodically throughout the year.

On the Expenditure side of the Income and Expenditure Accounts, Mr Stacey indicated that staffing costs had increased partly due to extra payment for additional work undertaken by full and part-time staff during the refurbishment of Headquarters.

The cost of Meetings was down. Printing was up on budget by a greater margin than we would like to see and should be monitored accordingly next year.

Next year would also see a higher level of Examiner/Teacher travel costs compared with this year.

A saving had been made on telephone charges and postage.

The Office Refurbishment Fund was completed as per budget. However, because furniture and filing cabinets were now so old and in such a poor state, it had been agreed to renew office equipment where necessary. At this point Mr Stacey expressed grateful thanks and appreciation to Mr Adam Lothian who had masterminded and carefully monitored the work carried out at Headquarters within the budget.

New banking charges had been underestimated by about 40%. This was related to the use of credit cards.

Mr Stacey thought that the Society's subscription level should be safe for a further year but he stressed that it was better to increase in small amounts frequently than to have a shock every five years or so.

The stock of books at Headquarters was valued at £66,000 and was too high a quantity to carry but was the result of an over-exuberance price-buying in previous years and would have to be reduced. It was important that stock should have a quick turn-round to generate capital.

The Jean Milligan Memorial Fund continued to grow. The interest from the account had been underused but would be funding the music course and tutors course in 1994.

Strathspey Sales were disappointing. Although it was good to see an increased turnover we must try to maintain our percentage of profit. The range of goods required reviewing.

In conclusion Mr Stacey thanked the Secretary and Treasurer for their unstinting work for the Society.

Mr Stacey then moved the adoption of the Annual Accounts and Balance Sheet. Mr B. Frazer (Berks/Hants/Surrey Border Branch) seconded the motion. The Annual Accounts and Balance Sheet were adopted unanimously.

APPOINTMENT OF AUDITOR

Confirmation of the appointment of Mr Humphrey Holmes C.A. as Auditor was proposed by Miss M. Barker (London Branch), seconded by Mr S. Adam (Edinburgh Branch) and carried unanimously.

RESOLUTIONS

- (a) On behalf of the Executive Council, Mr A. Smart (representing Florida South) seconded by Mrs A. Murphy (representing Western Australia Branch) moved:

Clause VI(4) Committees of Council shall be amended as follows:

Clause VI(4) (b) Finance Committee (page 8) delete "The Executive Council shall appoint the Convener of this Committee".

Substitute therefor "This Committee shall at its first meeting appoint its Convener".

Clause VI(4) (c) Examinations Committee (page 9) delete "The Executive Council shall appoint the Convener of this Committee".

Substitute therefor "This Committee shall at its first meeting appoint its Convener".

Clause VI(4) (d) Publications and Research Committee (page 9) delete "The Executive Council shall appoint the Convener of this Committee".

Substitute therefor "This Committee shall at its first meeting appoint its Convener".

Mrs J. Bradshaw (Richmond Branch) seconded by Mrs Clarice Middleton (Richmond Branch) moved that the motion should be amended as follows:

"Each of Clause VI(4) b, Clause VI(4) c, Clause VI(4) d, add after 'its Convener'. 'For this purpose the first meeting shall be held immediately after the Executive Council Meeting where the Committee is elected'."

On a vote being taken, the amendment was carried and the resolution as amended was carried.

- (b) On behalf of London Branch Mr A. Kellett (London Branch) seconded by Mrs R. Wilton (London Branch) moved:

Section VI Executive Council (4) Committees of Council (page 8) line 1.

After the sentence "All Committees shall meet as required" add the following sentence, "at least fourteen days' notice in writing of a meeting shall be given to each Committee member".

The motion was defeated.

- (c) On behalf of Stirlingshire Branch Mr J. Taylor (Stirlingshire Branch) seconded by Mr J. Crawford (Stirlingshire Branch) moved:

"The Stirlingshire Branch are concerned that smaller Branches, eg those with under 25 Annual Members, may be disenfranchised by the necessity to send 60% of subscriptions to Headquarters and yet still be responsible for the first £40 of expenses for the Executive Council Meetings. We move that the Society's Finance Committee look at developing a sliding scale for the remission of subscriptions to overcome this problem".

The motion was overwhelmingly defeated.

- (d) On behalf of Stirlingshire Branch Mr J. Crawford (Stirlingshire Branch) seconded by Mr J. Taylor (Stirlingshire Branch) moved:

"That the Society should publish a book annually, or in fallow years reduce the subscription".

The motion was overwhelmingly defeated.

PRESENTATION OF AWARDS FOR SERVICE TO THE SOCIETY

Mr George Lawson (Society Vice-Chairman) announced the awards while Miss A. Wilma Miller (Society Chairman) presented the Scrolls to the following members:

Miss Margaret Brander (Carlisle & Border Branch), Mr Bill Clement (Dumfries Branch), Mrs Alice Couper (Dunfermline Branch), Miss Irene Fidler (Newcastle upon Tyne & District Branch) and Miss Lesley Martin (Aberdeen Branch).

The Meeting was informed that Mrs J. Ackerley (Johannesburg Branch) would be presented with her Scroll at a function organised by the Branch.

ANNUAL GENERAL MEETING 1994

The Chairman confirmed that the Annual General Meeting would be held on Saturday 5 November 1994 at Perth.

VOTE OF THANKS

Mr Andrew Kellett (London Branch) said he was delighted to have the opportunity to give the vote of thanks because, despite being a member of the Society for over 20 years, this was the first AGM he had attended.

He said he realised now, of course that this had been his loss. He had found the AGM very informative and the Open Forum had produced some stimulating suggestions.

The whole day had been a great success and an inspiration to all as they returned to their Branches and sought to carry forward the objects of the Society over the next twelve months.

Mr Kellett said that successful events such as this don't just happen. They require a lot of effort and planning. For that, we owed an enormous debt of gratitude to the whole of Edinburgh Branch. Their warm hospitality and attention to detail had been exemplary.

It had been a real team effort by the Branch and it was, perhaps, invidious to single anyone out for special mention, but Stewart Adam, the retiring Branch Chairman, had spearheaded the Subcommittee responsible for organising this memorable event. To the whole of Edinburgh Branch - thank you.

Mr Kellett added that not even Edinburgh Branch could organise a day such as this had been on their own. He said that Joan Moore and the rest of the Headquarters staff had worked extremely hard in the run

up to the meeting; Edinburgh District Council had provided us with facilities in their beautiful city, which looked resplendent even on such a murky day.

To Fay Golding and Doreen McKerran for the useful morning class; to George Lawson for chairing the Open Forum; and finally, but certainly not least, to the Chairman, Miss Wilma Miller, for presiding with dignity and leading the meeting through a lengthy Agenda – to all of these people Mr Kellett extended a most sincere vote of thanks.

The Meeting ended at 5.00pm.

THE ROYAL SCOTTISH COUNTRY DANCE SOCIETY

Treasurer's Explanatory Notes

As usual, the finance convenor will give a full report to the AGM, and both he and I will be available to answer general questions. If you have more detailed questions, it would be helpful to have them in advance so that replies can be incorporated in the report.

The finance committee tries to present information in as concise a form as possible in order to make it readable for the majority of members, but recognises that there are a few members who feel more detail is required. We are very happy to hear your suggestions about what is helpful in order to assure you that your staff, committees and officebearers are indeed managing the affairs of the charity properly.

This year we have included the list of investments held by the Society, and as this raised some questions last year, I am taking this opportunity of explaining the Society's policy regarding investments.

The Executive Council as Trustees for the Society are responsible for ensuring that the assets are properly managed and are not dissipated. It was suggested at last year's AGM that an appropriate strategy would be to invest entirely in government stock, as there would then be no risk of its losing value. This is not actually true: as an example of the difference, look at the market value of the Charibond units (which is a managed fund investing entirely in Government stock) against the current value of Charifund units (a fund which invests entirely in equities). Both were bought in May 1982.

Of course, investing in equities does carry a risk, especially in the short term. Again, if you turn to the society's portfolio you will see that all stocks bought in May 1994 were worth less in June 1994. I am pleased to report that the advance in the stock market since then has more than compensated for the fall in the first month, but I can see that the fall in value may worry some of you.

The point is that these stocks were bought on the recommendation of a stockbroker, and that whatever happens to them, the Trustees cannot be held responsible as long as they have considered the matter and have taken proper professional advice. If, in the longer term, the performance suggests that the stockbroker is not competent, then it is up to the trustees to change their adviser. What is not responsible is for individual trustees, whether or not they are on the finance committee, to use their own judgement in matters such as this. A gifted, or lucky, investor may have made much more money but if the Society had lost money as a result of his advice they could be held to have been negligent and therefore personally liable for any loss.

Incidentally, the Charibond units were purchased for the Jean Milligan fund for the express purpose of maximising income. It is ironic that the full income has never been used in any year, so a policy requesting capital growth rather than income would have been more appropriate. The stockbrokers have now been asked to consider the best time to realise the Charibond units, and to make suggestions for re-investing the proceeds, with this in mind.

In summary, the policy of the Society regarding the investment of funds is to consider an overall objective, and then employ a stockbroker to put it into effect. The overall policy at present is to ask for capital and income growth consistent with low risk. Until recently the Jean Milligan fund policy has been to maximise income, even at the expense of capital growth. As explained above, this has now been modified.

Obituaries

COR LIGTMANS

Died - 9 June 1994

Cor, together with Frans, was not only the soul of the Thistle Club of Scottish Country Dancing of Eindhoven, but was often to be found at the heart of activities during balls and day schools all over the Netherlands, Belgium, Germany, Luxembourg, and the Summer School at St. Andrews.

Friends from many places gathered to honour Cor at the Heeze Crematorium on 14th June. Scottish music brought back memories of the many times we had enjoyed the happiness of Scottish dancing together with Cor. Some of us first met Cor when we were beginners, trying hesitantly to find our way through the complicated figures of reels and jigs. Very often it was Cor, who guided us through poussettes and reels of three, and who helped us to discover how the music carries you through the figures and brings you back at the right moment.

Scottish music and Scottish dancing were sources of joy and happiness for Cor, as for so many of us. And, as Scottish dancers know, where joy and happiness are shared, friendship arises. So Cor had many friends, at home, in the neighbourhood, and far away. The news of Cor's illness brought a deep sense of grief to his many friends. But never did we admire him so much as during the past, difficult years. However difficult his own situation was, Cor kept joining the activities of the Thistle Club and other clubs whenever possible, remaining his usual friendly, cheerful self.

And now Cor has left us. It is difficult to grasp. What remains in our memory are the joy and the friendship we experienced together with Cor - that is how we keep thinking of Cor.

DR. ROBERT SMITH

Died - 11 July 1993

Dr. Bob, as he was affectionately known in the Hamilton (Ontario) area, died on 11th July, 1993, in Hamilton at the age of 87, after a short illness.

Born in Tranent, near Edinburgh, Bob was a man of many accomplishments. He obtained his civil engineering degree from the University of Edinburgh prior to emigrating to Ontario, Canada, in 1928, where he practiced his profession until the Depression caused him to change careers. He obtained a Doctorate in Podiatric Medicine in the United States and continued in this profession until his retirement in 1975.

Bob's dancing career began in 1921, highlighted in those years when he took three East Lothian Boy Scout teams to perform at the British Empire Exhibition at Wembley Stadium. Following World War Two, he was instrumental in 1951 in starting a Scottish Country Dance Group in Hamilton, Ontario. This became the Hamilton (Ontario) Branch of the RSCDS in 1954 - the first Branch in Canada.

He obtained his teaching certificate in 1957 and was an active and enthusiastic Branch member for many years, serving in many positions on the Branch Executive during that time.

Bob was recognised and honoured on many occasions over the years for his contribution to Scottish Country Dancing. However, two of his fondest acknowledgements were the receipt of the "Scroll of Honour" from the Society in 1986 and the composition of the lead tune, called "Dr. Bob Smith", for the Hamilton Branch dance "The Hamilton Rant".

His talents, interests and contributions to this world were many - he will be sadly missed by all who knew him.

MRS JEAN W. THOMSON

Died - 19 October 1993

Ayr Branch has suffered the loss of one of its most valued members with the death on 19th October, 1993, of Mrs Jean Thomson.

Mrs Thomson, while not a founder member, served Ayr Branch for over forty years in many and varied capacities. She was a fully qualified Scottish Country Dance teacher having been awarded both Preliminary and Full Certificates by Miss Jean Milligan whom she greatly admired and whose standards she strove to emulate in her own teaching.

Mrs Thomson was an LRAM in pianoforte music and as accompanist to Mrs A. Guthrie (better known as Miss Grace Macarthur), introduced a Certificate Class in Ayr. This proved to be a great success and resulted in Ayr and District being well supplied with good teachers, usually examined by Dr. Jean Milligan, who loved to come to Ayr.

As a Primary teacher Mrs Thomson imbued her classes with a love of Scottish Country Dancing and trained her young pupils to take part in competitions at Ayrshire Music Festival with great merit.

She was a very loyal member of committee and for many years hosted its members in her own home where they enjoyed her excellent hospitality.

Latterly she was appointed teacher of the Demonstration class. This was work which she thoroughly enjoyed and for which she was admirably suited. She demanded and got a high standard of technique but her teaching was always leavened by her own sense of humour and she was very popular.

Mrs Thomson was a widow for many years. She had a very supportive family of five daughters and one son. The daughters, now all married, became enthusiastic dancers, while her son is a distinguished medical consultant.

She was a quite remarkable woman who will be sorely missed by us all.

MISS PHYLLIS WOOD

Died - 3 July 1993

A founder member of the Birmingham Branch in 1946 and a Vice-President, the highlight of her life was surely when she received her Scroll of Honour from the Earl of Mansfield at the 1983 AGM at Troon. She was enormously proud of this, as was the Branch.

From the early 1950s she taught a class, first at Bristol St. School, then St. Luke's and Highgate, and later took on Sutton Coldfield Branch Class. Being a Home Economics teacher - Domestic Science in those days - catering for socials came naturally to her, therefore, committee meetings at her house, were always popular.

While she insisted that the social side of dancing was as important as perfection of "feet", etc., she was pleased to "vet" people wishing to join the Very Advanced class. Great fun were the Anglo-Scottish socials she organised (she also ran a class for the English Folk Dance & Song Society) so she brought a great deal of happiness into the lives of many people and helped to cement many a friendship with her commitment to dancing. For that alone, we shall miss her.
