 CHAIRMAN

A Chairman's Vision

It all began in the Autumn of 1992 when the Secretary had to call in a plumber to repair a faulty tap. This led to the discovery that the plumbing at Headquarters was entirely of lead piping which, while not quite illegal was certainly not desirable. Thus the minor problem of a defective tap now became a job of much larger proportions and one which was beyond the scope of any of our committees.

I discussed the problem with a friend who is a Building Consultant and asked him to do a survey of the building, something which I suspected had not been done since the purchase of the property in 1957. Historically and architecturally the property is good. It is a place of considerable prestige which should be considered a legacy for the present incumbents to preserve, guide and foster into the next century.

However the resultant survey made it clear that much was required apart from the plumbing. Sections of the electrical wiring were quite unsafe and other sections were completely out of date. The Society had now seriously to address itself to the well-being of the building.

The Consultant was asked to produce plans and estimates regarding costs of the various aspects of the work required – plumbing, electrical, joinery, plastering, redecorating. There was some deliberation in Committee but it was agreed that the work should proceed and this was ratified by the Executive Council.

By this time my "Vision" for Headquarters was growing. How would this massive undertaking proceed? What would it look like when completed?

The work commenced in the middle of January and was to continue for the following three months during which time it was business as usual at Headquarters. My grateful thanks go to the Secretary and her staff for their patience and understanding during these months of upheaval.

As the work progressed my excitement mounted. The fireplace in the Committee Room had always been something of a mystery. Having removed the asbestos panel and all the soot behind, having exposed the fireparts and cleaned off the white paint, the restored fireplace with its ornamental cast iron register of the last century, marble pillars and mantel provides a piece of period 'furniture' for the Committee Room. We also discovered a beautiful parquet strip floor which, when suitably treated, will be exposed. Choosing appropriate light fittings, colours and wall coverings was a daunting task but we now have a building of which we may be justifiably proud. However, my "Vision" goes on. There are some things which I hope, given time, would be replaced, particularly curtains and shabby furniture and I have made a plea to the Executive Council that Branches and individuals might wish to contribute to the Headquarters Refurbishment Fund. It was agreed by the Executive Council that all such donations to the Fund would be listed in future issues of the Bulletin.

My personal and grateful thanks must go to the Consultant who has put in many hours of work on this whole project – his professional help and guidance in all aspects of the work has been of the highest standard and has been invaluable to the Society.

In conclusion may I say that as my "Vision" becomes reality I would encourage members to visit the Headquarters of The Royal Scottish Country Dance Society and see this now beautiful building.

Annual Report

In 1923, seventy years ago, two anxious ladies sat in an office in Glasgow wondering if anyone would be interested in their plan to revive the traditional dances of Scotland. Little did they dream that all these years later the Royal Scottish Country Dance Society would be known and loved all over the world. As new Branches were formed membership grew apace to reach the present levels of 162 Branches and over 24,000 members. The first affiliation (Hong Kong) was accepted in 1927.

Membership

The membership figures for the year under review stand at 24,829 indicating a worrying downward trend over the previous year. This is an approximate total because the membership returns for fifteen Branches had not been received at Headquarters at the time of going to press.

At 30 June 1993, the estimated membership was composed of 17,363 Annual Members, 4094 Long Term Members and 3372 Life Members.

Branches

This year anniversary cards were sent to the following Branches: Glasgow (seventieth), Edinburgh (seventieth), Ayr (sixtieth), Rochdale (Golden), Oxfordshire (Silver) and Johannesburg (Silver).

Affiliated Groups

Eight applications for affiliation to the Society were approved during the year. By the end of the year the total of affiliated groups was 504, twenty-one less than in the previous year. This was due to twenty groups resigning and nine groups whose affiliation fees had not been paid since 1990.

Again we welcome our new affiliated groups and thank our groups of longer standing for their continued support.

General Purposes Committee

The General Purposes Committee met under the Convenership of Miss A. Wilma Miller, the Chairman of the Society. There were three scheduled meetings during the year and several additional sub-committee meetings.

The sub-committee appointed to make a preliminary review of nominations for Scrolls recommended that from the nominations received, six should be accepted for the award of a Scroll. The Executive Council approved the recommendations and the awards will be presented at the Annual General Meeting.

A sub-committee to formulate the plans for the Young Scottish Dancers Association was appointed. It is hoped that the Association will be established in time to coincide with the seventieth anniversary of the Society in November 1993.

Throughout the various meetings the Committee considered applications for affiliations and various Branch constitutions submitted for amendment.

One topic which caused some concern and lengthy discussion was a remit from the Executive Council asking the General Purposes Committee to look at the change made to the Constitution some three years earlier whereby no person other than the Chairman, Vice-Chairman, Director of Summer School shall serve on one or a succession of Standing Committees for more than five consecutive years.

The concern was that the five year ruling could lead to a situation where a Convener might be elected to a Standing Committee with only one year left in which to serve. While recognising that continuity from one year to the next was important, the General Purposes Committee recommended that the ruling should not be altered.

Finance Committee

Under the Convener, Mr Keith Stacey, the Committee met quarterly. The work of the Finance Committee will, as is customary, be outlined by the Convener when presenting the Annual Accounts and Balance Sheet to the Annual General Meeting.

Publications and Research Committee

The Publications and Research Committee, of which Mr Robert Mackay is Convener, held six meetings during the year. Miss Muriel Johnstone, Mrs Johan MacLean, Mrs Sheena Sturrock, Miss Angela Young and Mr Andrew Lyon were co-opted to serve on the Music Sub-Committee.

During the year the dances from Book 16 were recorded by Bobby Crowe and his band, eight of the dances being on LP and all twelve dances on cassette. Also during the year two compact discs were produced. These are compilations of previously recorded popular dances from Books 1-5 and 6-10.

The Committee has been working on a new Book of recently devised dances: Book 38. This will be the subscription Book for 1994. Once again the music has been arranged by Miss Muriel Johnstone.

During the year a number of publications were up-dated for re-printing. A notice about the new publication and re-prints may be found elsewhere in this Bulletin.

Plans to produce a video of steps and formations to accompany the new Manual have been agreed and a sub-committee has been appointed to consider the content.

Examinations Committee

The Committee held two meetings during the year under the Convenership of Mrs Mina Corson.

This year's examination tour in North America was undertaken by Miss Jean Yeats and Dr Alastair MacFadyen. The tour, which lasted five weeks, was again a very successful one. The Society is grateful to the TAC for organising the tour and in particular to Mr David Pogson for his excellent arrangements and his meticulous attention to all the details.

During the year examinations were held in St Andrews, North America, Berks/Hants & Surrey Border, Cambridge and District, Doncaster and District, Duns and District, Edinburgh, Manchester, Melbourne and District, New Zealand, SE Queensland, Sydney, TAC, and the Australian Teachers' Association. In the Preliminary Test 117 candidates passed and 39 failed. In the Teachers' Certificate 91 passed and 26 failed. The Committee agreed that the pro forma introduced on 1 January 1992, and issued to those candidates who had failed examinations, had proved helpful and its usage would continue.

Arising from a proposal from the Executive Council relating to unsuccessful potential examiners, the Committee will review the policy regarding arrangements for potential examiners and the procedures for their appointment.

The Syllabus for Teaching Beginners has been reviewed and amended, bringing it into line with the Manual of Scottish Country Dancing.

Plans for a Course for Tutors and a Music Course for pianists and accordionists are under way. Both Courses are scheduled for Spring 1994.

Summer School

The Summer School Committee met twice during the year under the Convenership of Dr Alastair MacFadyen, the Director of Summer School.

Summer School had been under pressure for some time to start the School on Sundays. This was tried on an experimental basis in 1992 and because the majority of students had welcomed the change, the Committee agreed that it should be allowed to continue, consequently the dates of the annual Summer School 1994 will be 17 July to 14 August.

The new Very Advanced, Fully Certificated senior class which was introduced in 1992 had proved successful and featured again at the School this year. Although numbers attending the Elementary class have been diminishing over the past few years, the Committee agreed that the class should continue to be available.

This year, five applicants were awarded Scholarships to attend the Summer School.

For the 1993 School Miss L. Martin and Mrs M. MacRae were appointed Depute Directors for the first and second courses respectively. The staff consisted of sixteen teachers and sixteen musicians on Course 1 and

sixteen teachers and fifteen musicians on Course 2. In addition to two administrative staff, Mrs Sheena MacLeod was again in charge of the tea arrangements.

The number of those attending this year was 790, of whom 171 were non-resident.

Places were allotted to students from the following places of residence:

Australia	8	Monte Carlo	1
Austria	1	Netherlands	12
Belgium	4	Norway	3
Canada	27	Portugal	1

Junior Membership Sub-Committee

Arising from Resolution (d) at the Annual General Meeting in November 1992, a Sub-Committee was appointed to discuss the feasibility of Junior Membership and to report back to the Executive Council in May 1993.

The Sub-Committee held one meeting and in the absence of Mr T. Dewdney (Convener) Mr Douglas was invited to take the Chair. Prior to the meeting the sub-committee had received replies from Branches in response to a request for suggestions. Disappointment was expressed in the response from Branches. From the 93 letters sent out only 18 replies were received.

The Sub-Committee was reminded that its remit was to "formulate details with a view to introducing arrangements" for Junior Membership. Its remit was, strictly, not to discuss whether Junior Membership was a desirable principle. However, after two hours of discussion about ages, subscriptions, newsletters, benefits, rights and other matters, it was finally felt that the Junior Associates system had been operating successfully in several Branches for some time and should be retained and strengthened.

It was therefore recommended by the Sub-Committee that the status of Junior Membership was unnecessary but that Junior Associates, at present in the Constitution, should be expanded.

The Sub-Committee recommended that a membership card and badge could be made available for Junior Associates. Any charge to Junior Associates would be at the discretion of the Branch.

The Executive Council accepted the above recommendations.

Headquarters

Staff currently employed are:

Mrs J. A. Moore, Secretary (full-time)

Brigadier-General George Ronald Hamilton Cheape **C.M.G., D.S.O., M.C. (1881–1957)**

Chairman of the Interim Committee of the Scottish Country Dance Society 1923–24

In conversation, when introduced to Mr Hugh Cheape, the piper to the St. Andrews Society in Edinburgh, I enquired whether he was related to the famous 'Brigadier-General Cheape of Tioran'. This, incidentally, is the name of a pipe march which I play frequently. I was told that the Brig.-Gen. was his grandfather's brother. Sometime later Dr Alastair MacFadyen reminded me that this famous soldier was the first Chairman of the Society.

Following correspondence as a result of this meeting I received the above photograph from Mr Bruce Ismay Cheape (Isle of Mull), son of the Brig.-Gen. Extracts from his accompanying letter, which provided us with much information about our first Chairman, are given below.

"George Ronald Hamilton Cheape was born in Fife in 1881. After school at Glenalmond College and Britannia – the Royal Naval College, he served as a midshipman on H.M.S. Hawke before going to South Africa where he served in the Imperial Yeomanry and transferred to a regular commission in the 1st King's Dragoon Guards.

Following service in India, he returned to London and married my mother in 1912. From 1914-18 he served in France, commanding the 7th Black Watch at the Battle of Beaumont Hamel; and finally a Brigade in the 29th Division, the first Division to cross the Hohenzollern Bridge into Cologne, led by his soldier servant and piper, Duncan Lamont playing 'The Mucking of Geordie's Byre'.

He was much decorated with the C.M.G., D.S.O. and Bar, M.C., French Croix de Guerre and 2 Bars, and 6 Mentioned in Despatches, previously also the South African War Medal with 5 Clasps. He died in Kenya in 1957, while on holiday and is interred in the Military Section of the Nairobi Cemetery.

My father used to get my brother and me up as children at an early hour to make us dance the Highland Fling and the Sword Dance in our pyjamas and bare feet on the lawn, if dry, and on the concrete garage floor, if wet, at Tioran.

In the early 1930's, he arranged for a Country Dance teacher, a Miss Forbes, to come to Mull 2 years running to teach the local people at Tioran and Carsaig how to dance Country Dances correctly. This was done in a barn before the hay was brought in.

My father was a very keen piper and a member of the Royal Scottish Pipers Society, on the committee responsible for setting up the Army School of Piping at Edinburgh Castle and the appointment of Pipe-Major Willie Ross as instructor. P/M Ross composed a March in 2/4 time and named it after my father.

I had the misfortune to be captured with the 51st Division in France in 1940, serving in the 8th (Argyllshire) Battalion of the Argyll & Sutherland Highlanders. While a prisoner, I learned to play the pipes, and knew some of those who invented the 'Reel of the 51st Division', particularly Peter Oliver of the London Scottish and Jim Atkinson of the 7th Argyll & Sutherland Highlanders."

19th Australian Winter School

2nd-9th July 1994

The South East Queensland Branch invites all RSCDS members to their Winter School in sunny Queensland. Brisbane, in July, usually has sunny days with cooler nights.

Nathan University, Mount Gravatt Campus, the venue for the school, is a modern complex in a bushland setting with single room accommodation.

Queensland is famous for its Gold Coast and Sunshine Coast, both of which boast fine beaches and are only an hour's drive from Brisbane, one to the South and one to the North.

In addition, the Glasshouse Mountains, the Big Pineapple and the Ginger Factory to the North – and Seaworld, Dreamworld and Currumbin Bird Sanctuary to the South are some of the sights overseas visitors should not miss.

Brisbane with its new South Bank Recreation Area, Museum, Art Gallery and Performing Arts Complex are places of interest to all visiting the capital of the Sunshine State.

Teachers from overseas and within Australia will be instructing at our School and Graded Morning Classes will be offered as well as optional afternoon activities catering for all levels of dancers. A Ceilidh and a Formal Ball will be included in the evening functions.

We look forward to enquiries from our dancing friends overseas and will be happy to forward any information required.

Yours sincerely,

The Royal Scottish Country Dance Society New Zealand Branch

84 Gossamer Drive
Pakuranga, Auckland
New Zealand

To Scottish Country Dancers Throughout the World

AN INVITATION

to attend the annual Summer School of the New Zealand Branch to be held in Christchurch from 28 December 1994 to 5 January 1995.

The New Zealand Branch Summer School follows a format similar to the Society's Summer School. We offer a range of graded morning classes to cater for all levels of ability. Examination classes for Preliminary and Teachers' Certificate will also be held where there is sufficient demand.

A variety of afternoon activities are scheduled, while evening functions include Hogmanay, President's Ball, a fancy dress night and many more.

Canterbury University in Christchurch will provide an excellent venue with single room accommodation and a full range of facilities. Being only a 10-minute drive from the city centre, you will be in the best place to take advantage of everything the city has to offer.

Christchurch was designed in the mid-1800's as a model Anglican settlement. Today "the most English city outside England" has examples of almost every kind of 20th Century architecture.

We call it the Garden city, which is no wonder, as one-third of Christchurch is devoted to parks, reserves or recreation. Looped around the central Christchurch area, the river Avon's grassy tree-lined banks provide a green belt through the city.

We could tell you lots more about Christchurch; about its lush trees, flowers, and historic buildings. It is the South Island centre with the best access to and widest range of holiday activities you can think of.

But unless you spend some time exploring our garden city, you can only guess at what we really have to offer. So come and see us in 1994/95. We'll be glad to show you around.

The Sash

Most ladies who enjoy Scottish Dancing possess a sash but few wear one except on rare occasions and then they give little thought to the style they adopt. Not much has been written about the history of the sash and many people may be surprised to learn that one style quite often seen dates only from the 1950's and is an adaptation for the modern narrow sash of earlier forms.

An article on this subject appeared in a heraldic magazine, "The Armorial", in 1961, written by the then Lord Lyon, Thomas Innes, and he described three styles. The first, used for the RSCDS 'Dancers' motif, has the sash across one shoulder, the long end taken under the other arm and back over the shoulder again where it is brooched, the ends hanging freely front and back. The style seems to date from Victorian times and may owe something to the male wearing of a plaid with military uniforms.

A second and simpler style has the sash fixed at a shoulder, about midway along, the ends taken one forward and one back and then tied to each other at the waist on the other side, from where the short ends hang freely. The Lord Lyon described this style with a large bow at the waist: this would need a very long sash and I have never seen such a bow worn, the simple twist is usual. I have a print of a Victorian photo showing the style, without a bow.

The third style, based on older fashions is for a wider and shorter sash. At 18 inches or more wide and about two yards long it contrasts with the usual modern sash, 10-12 inches wide and 2½ yards long. The sash is gathered in to a brooch on a shoulder about midway: the top, possibly rather longer, end hangs freely from the shoulder at the back and the lower one is draped slightly as it is taken across the back and is then fixed *all the way across* the back waist (possibly through a belt) with nothing but the fringe hanging below the waist from this end of the sash. It is described by the Lord Lyon as the arisaid form, suitable for ladies 'entitled to wear decorations of orders of chivalry' or desiring 'to keep the front of the dress free from being obscured' and also 'adopted by ladies taking part in country dances'. This size of sash was described by Jean Milligan as a 'stole' and the RSCDS team wore them with long dresses when visiting South Africa in 1955. (See Bulletin, 1956.) Unfortunately the wider sashes are not easily obtainable, although Edinburgh dancers often wear them as their local shops stock them. As a result, narrow sashes are often fixed in the way traditionally for wide ones; the extra length means that a second long end hangs from the waist. Jean Milligan was disappointed when, after the 1955 tour, so many ladies tried to adapt the style for their narrow sashes rather than obtaining ones of the proper shape: she described the result in a letter to me as looking 'ridiculous'. I wonder what she would have thought of some of the inventive versions around today.

Of course everyone is free to wear her sash as the fancy takes her; it has always been so. It would, nevertheless, be good to see sashes worn more often and, if more information becomes generally known, perhaps we shall see more of traditional styles.

In this brief item the question of right/left shoulders, their possible significance, and styles older than Victorian have not been mentioned. Although so little is written down about these things, a fair amount is known - but that is another story!

The Jean Milligan Memorial Fund

We are very pleased to report that despite the recession of the past year the Jean Milligan Memorial Fund has continued to grow and we are most grateful to all those who have continued to contribute to it in such a generous spirit.

This year the Fund has again provided five scholarships at Summer School, one of which was the Duncan MacLeod Scholarship. Two candidates attended the Teacher's Certificate class, two attended the Preliminary Test class and one the Very Advanced class.

In considering other projects to be sponsored by the Fund, the General Purposes Committee, which manages the Fund, agreed that the Musicians Course in 1994 and the Young Scottish Dancers Association should both be supported and also a teaching tour to Cornwall in the autumn of 1993.

MINUTES OF THE SIXTY-THIRD ANNUAL GENERAL MEETING held on Saturday, 7 November 1992, at the Beach Leisure Centre, Beach Promenade, Aberdeen at 2.30pm.

PRESENT

In the Chair: Miss A. Wilma Miller.

CHAIRMAN'S REMARKS

The Chairman first read a message from Her Majesty the Queen in which she sincerely thanked the Executive Council and Members of the Royal Scottish Country Dance Society for their kind message of loyal greetings sent on the occasion of the sixty-third Annual General Meeting. As Patron, Her Majesty said she was delighted to receive this message and sent her best wishes to all concerned for a successful occasion.

Miss Miller then welcomed everyone to the Meeting especially those who were attending for the first time. She congratulated, in advance, those who were to be presented with the Society's Scroll in recognition of their services to the Society and continued by saying that each member was important to the Society. Without the members there would be no Branches and no Society. Miss Miller urged members to remember that the Royal Scottish Country Dance Society was a social society.

Following her opening remarks, the Chairman informed the meeting that due to a misunderstanding between Headquarters and Stirlingshire Branch a resolution had been omitted from the Agenda but this could be heard under Urgent Business with the consent of not less than two thirds of the delegates present. (Section VII paragraph 8 of the Constitution). The Chairman then read the resolution: "that the Executive Council of the Society be scrapped and replaced by a Management Committee comprised of the Chairman, Vice-Chairman, five Conveners of the Standing Committees, the Director of Summer School, the Society Secretary and Treasurer and 20 members elected from linked Branches to be formed by the Society".

On the vote being taken, with 76 for and 89 against, the proposal to consider the motion was defeated.

MINUTES

The Minutes of the Annual General Meeting on 2 November 1991, having been in delegates' hands for several weeks, were taken as read.

Miss F. Gordon (Aberdeen Branch) proposed and Mr S. Wilkie (representing Pietermaritzburg Branch) seconded their adoption, which was carried unanimously.

APPOINTMENT OF PRESIDENT

Mr R. Mackay (representing San Francisco Branch) seconded by Mr G. Stephens (Kirkcaldy Branch) proposed that the Earl of Mansfield be confirmed in the appointment of President. The motion was carried unanimously.

APPOINTMENT OF HONORARY VICE-PRESIDENTS

Mrs J. Douglas (representing Atlanta Branch) seconded by Miss E. Ferguson (Dumfries Branch) proposed the confirmation of the appointment as Honorary Vice-Presidents of the Society of Miss Florence Adams, The Duke of Atholl, Sir Donald Cameron of Lochiel K.T., Lt.-Colonel M. Muriel Gibson, Lord Glenconner. Confirmation of these appointments was carried unanimously.

ELECTION OF OFFICE-BEARERS AND SIX MEMBERS OF THE EXECUTIVE COUNCIL FOR THE YEAR 1992-1993

- (a) CHAIRMAN: Miss A. Wilma Miller (sole nominee) was duly elected with the unanimous agreement of the delegates.
- (b) VICE-CHAIRMAN: Mr George Lawson (sole nominee) was duly elected with the unanimous agreement of the delegates.
- (c) SIX MEMBERS OF THE EXECUTIVE COUNCIL: The following were elected by ballot: Miss M. Barker, Miss C. Catto, Mr A. Mair, Miss L. Martin, Mr D. Ross, Miss C. Traynor.

ADOPTION OF THE ANNUAL REPORT

Because the report for the year 1991-1992, outlined in the Bulletin, had been in the hands of the delegates for some weeks, in presenting it the Secretary said it was necessary for her to make only brief comment.

Mrs Moore said she was pleased to report a slight increase in membership over the previous year and the addition of one new Branch. It was also pleasing that despite problems arising from the activities of the Phonographic Performance Limited, applications for affiliation to the Society had continued to come before the Executive Council.

The work of the various Standing Committees throughout the year (detailed in the Bulletin) was then outlined by the Secretary who concluded her remarks by thanking all Branches for their co-operation during the past 12 months and she particularly thanked the Secretaries for the early submission of material which made it possible to have the Bulletin printed ahead of time.

The Annual Report was adopted unanimously on a proposal by Miss R. Scott-Huxley (representing Cape Town Branch) seconded by Dr I. Hall (Manchester Branch).

ADOPTION OF THE ANNUAL ACCOUNTS AND BALANCE SHEET

Presenting the Accounts for the year to the 30 June 1992 Mr Turnbull (Richmond Branch) said he would comment on certain items.

Mr Turnbull said there were three main sections to the Financial Report - those dealing with Income and Expenditure which set out the position for the year to 30 June 1992, the Balance Sheet showing the Society's assets and liabilities as at 30 June 1992 and the estimate of Income and Expenditure for the current year to 30 June 1993.

Budgeting in advance was always difficult. Budgets were prepared before the results for the previous year were finalised and before the results from Summer School were available. The gross receipts from Summer School represented almost two thirds of the Society's gross receipts and thus materially affected the Society's finances.

Summer School fees were set to break even but in setting the rate certain assumptions are made. Probably the most important of these was the number of places taken up. The 1991 Diamond Jubilee Summer School was particularly well attended and consequently showed a surplus.

Mr Turnbull then drew attention to the apparent reduction in interest from investments. This year £4,913.00 compared with £6,345.00 in the year to June 1991. This, however, was not quite what it appeared. The dates on which various items of investment income are received have been changed and very substantial amounts were received in the three months after the accounting year end. A total of £7,243.00 was received during the three months to 30 September 1992 more than was received in the whole of the previous year. Therefore he felt no cause for alarm at the apparent reduction.

Last year Mr Turnbull said he had pointed out that the surplus on publications was down as was the contribution from Strathspey Sales. He was pleased to say that the contribution from Strathspey Sales this year had increased but regrettably again there had been a fall in the surplus from the sale of publications. This was partially as a result of sale offers made in an attempt to reduce stocks which had been reduced by some £7,000.00.

On the expenditure side total expenditure was only slightly above that which was budgeted. Meeting expenses continued to go up and at a total of £15,314.00 were substantially in excess of those for the previous year.

Of administrative expenses, archives and publicity were underspent but expenditure in the office exceeded budget largely as a result of expenditure on office equipment. During the year a fax machine was installed at Headquarters and we were now able to accept payment by credit card.

The bulletin referred to in these Accounts was that for 1991 and the cost of £14,182 was within budget. This included the cost of packing and distribution.

Finally on the Revenue side Mr Turnbull drew attention to the reduction in the expenditure on examiners and teachers overseas travel. This was largely because of the very generous arrangements for the trip to New Zealand for which we had to thank New Zealand Branch.

Mr Turnbull next turned to the Balance Sheet. The total balances in the Jean Milligan Memorial Fund had once again increased - this year from £77,849.00 to £85,231.00. The Society's capital which included reserves had increased from some £157,000.00 to £166,000.00 during the year. This was despite transfers from long term memberships fund and the transfer of £2,500.00 from the publications reserve in respect of non-recurring expenditure.

Mr Turnbull concluded by referring to changes in legislation relating to charities. He said we lived in an age of computers and statistics so Charity Accounts would have to be prepared in future in a uniform manner to enable statistics to be readily collected. This might therefore be the last year in which the Accounts would appear in the present format.

Mr Turnbull then moved the adoption of the Annual Accounts and the Balance Sheet.

Mr D. Ross (Edinburgh Branch) in seconding the motion thanked Mr Turnbull for his report. The Annual Accounts and Balance Sheet were adopted unanimously.

APPOINTMENT OF AUDITOR

Confirmation of the appointment of Mr Humphrey Holmes C.A. as Auditor was proposed by Mr B. Frazer (Berks/Hants/Surrey Border Branch), seconded by Mr S. Adam (Edinburgh Branch) and carried unanimously.

- (g) On behalf of Wirral Branch Mr R. J. Taylor (Wirral Branch) seconded by Mrs A. Green (Liverpool Branch) moved:

para 4 delete from "250 members" on line 3 to "delegates" on line 6 and substitute "400 members – 2 delegates; 401 members – 3 delegates. No Branch shall be entitled to more than three delegates".
The amendment was defeated and the motion was not carried.

THE ROYAL SCOTTISH COUNTRY DANCE SOCIETY

Treasurer's Explanatory Notes to Accounts

The Law Reform (Miscellaneous Provisions) (Scotland) Act 1990 brought in a number of changes in the way Scottish charities have to organise and present their accounts. Some further changes will result from a new Statement of Recommended Practice (SORP), which is being refined by the Charities Commission, but the extent to which it will apply in Scotland is still unclear.

In the meantime, the accounts of The Royal Scottish Country Dance Society for the year to 30th June 1993, have been prepared and audited in accordance with the latest applicable legislation, the Charities Accounts (Scotland) Regulations 1992.

The full audited accounts, with notes, run to eight pages of A4 paper and the finance committee agreed that a summary would be more useful to the general members. As required by law, full accounts are available on request from the office at "an appropriate fee". This will be £1 to cover photocopying and postage.

In view of the changes, I have been asked to give some further background and explanations

The first point to notice is that the format of the accounts is now mandatory. This is to make it easier to collect statistical data on charities and to compare "performance". The main aim of the legislation, however, is to help readers understand the accounts. As members, you have a special interest in the Society, and are used to looking at the figures in the way in which they have always been presented, but we have to recognise that the general public also has a legitimate interest in our affairs because of the generous tax regime and other benefits resulting from charitable status.

The new form of presentation sets out very clearly the total value of transactions undertaken in a year and requires a split between the expenditure relating directly to charitable activities and on administration. As this is the first year, all charities are feeling their way and trying to define these categories. For example, we have shown all staff salaries under administration although the work of the staff ranges over the whole of the work of the Society.

I have been asked to comment on two subjects in particular, subscriptions and fixed assets

SUBSCRIPTION INCOME

No account is taken of subscriptions which are due for the year but have not been received. This is a more prudent treatment than setting up a debtor for subscriptions not received at the year end and, given the time within which accounts have to be prepared, is more practical.

FIXED ASSETS - INCLUDING PROPERTY

For many years now items of equipment have been written off in the year in which they are purchased. Many charities feel that this is an appropriate way of accounting for the purchase of assets, as it is more prudent than carrying forward a value in the balance sheet.

One question which is constantly being asked is why the full value of the property at Coates Crescent is not shown. The figure in the accounts of £1,412 is the original cost less depreciation charged until 1974, when it was decided not to depreciate the balance sheet value any further. The alternative approach is to put the property in at a full valuation, and create a valuation reserve for the difference between the valuation and the written down cost.

The problem with this is that a formal valuation would be required which would be expensive. Also a regular programme of revaluation would have to be instituted, locking the society into a valuation cost every three or five years. It would have a certain advantage in that it would force us into making an annual depreciation charge based on the valuation, which would approximate to a rent for the use of the building. On the other hand, the reserve may mislead readers if they think it is available for use by the Society: in fact, a revaluation reserve may not be used until the property is sold. Finally, a fall in the value of the property could reduce the reserve quite dramatically, as has happened in the last three years.

In conclusion, it is becoming clear that there are many more aspects of the Society's affairs which are affected by the new legislation. All these matters will be reviewed in the next year or so, in order to maintain the sound financial base built up by the Society, and to ensure that its aims are met.

Obituaries

JACQUES CHAMOIN

Died - 6 July 1993

We were saddened to hear of the death in Paris on 6 July 1993 of Jacques Chamoin after a long and courageous battle against leukaemia.

Jacques Chamoin had been a member of the RSCDS since 1959 and for 22 years was a familiar figure at Summer School where his quiet gracious charm will be missed by the many people who knew him there.

Jacques Chamoin was President of the affiliated group, Le Chardon D'Ecosse. He was a dedicated teacher and continued to demonstrate and attend classes up until October 1992. Jacques Chamoin will be sadly missed in the group.

MR E. O. GIBSON

Died - 26 September 1992

It was with sadness that Cape Town Branch reported the death, quite suddenly, on 26 September 1992, of Mr E. O. Gibson.

Edgar Gibson was a founder member and its first treasurer when Cape Town Club was granted Branch status in 1951. Subsequently he also served as Chairman. His long association with Scottish Country Dancing was well known and, although he could not "take the floor" due to injury, he was always supportive of his wife, teacher Kay Gibson, by organising and presenting the music and helping create the atmosphere of enjoyment typical of her classes.

ALEXANDER MACKENZIE (Alec) HAY

Died - 16 July 1993

Alec was born in Dundee on the 3rd July 1912. He taught both Highland and Scottish Country Dancing in Scotland and Canada as well as in New Zealand for nearly 60 years. He last taught his regular class at Howick just three days before his sudden death, having tutored there for the last 33 years. Although he worked most of his life as a carpenter, for a period of approximately ten years from the mid forties until he emigrated his income came entirely from teaching dancing.

He held classes in Forres on Tuesday and Friday nights and in Dundee, Keith and Elgin on other nights each week. Although he only submitted one dance to the Society for publication, The Dean Bridge of Edinburgh in Book 23, Alec devised upwards of 200 dances dedicated to his family and friends as well as being named in the traditional manner after the music of, or placed in Scotland. It was in the Dean Bridge of Edinburgh that Alec introduced the set and link formation.

For many years he taught classes in technique at New Zealand Summer Schools and Weekend Schools.

His other great passion was athletics in which he competed with some distinction as a young man, and again was still coaching runners at the time of his death.

G.H.

MISS E. MARJORIE HEYES

Died - 12 May 1993

Marjorie, a life member of the Society, was Treasurer of Southport Branch for 32 years until her retirement in 1989, a position she always enjoyed and at which she was extremely efficient. To mark this occasion and in appreciation of her work she was made a Vice-President of the Branch and since that time she kept a lively interest in our affairs.

Whatever job she did for the Branch was done well and whatever advice she offered was always sound.

Before her retirement she was a well-known and respected teacher with the local education authority where she encouraged and introduced many of her pupils to Scottish Country Dancing and the Society. Marjorie will be sadly missed by the Branch and her many friends, her dedication and enthusiasm being an example to all. We are indeed very privileged to have known her and she will always be remembered with great affection.

MRS MAY SINCLAIR

Died - November 1992

Mrs May Sinclair was Secretary of the Adelaide Branch of the Royal Scottish Country Dance Society for 15 years from 1961 to 1975. She became a Branch Teacher in 1963 and, apart from the first few years, was the official Branch Teacher and therefore for some eight or nine years she combined the duties of Branch Secretary with responsibility for all teaching - a heavy load indeed. She continued teaching the Branch Class until the mid 80's, when the arthritis that plagued her life finally overcame her will to teach.

Two Australian Winter Schools were held in Adelaide during her time and May was on the Committee for both of these successful events.

May's contributions to Scottish Country Dancing in Adelaide included tutoring two courses for Teachers Certificates, teaching at numerous day schools, organising many social functions and generally she was the mainspring of the dancing community for 30 years. All this was recognised in 1988 when she was presented with the Society's Scroll of Honour.

MR TOM STEELE

Died - 19 December 1992

Society members everywhere were deeply saddened by the death of Tom Steele last December. He was a dedicated and talented servant of the Society.

Tom was born in 1951 in Dornoch, Sutherland, where his parents still live. He had a happy childhood though at the age of four his was the only reported case of poliomyelitis in Scotland. Happily he recovered and three years later he was already a keen Scottish Country Dancer. He graduated in political studies from Aberdeen University, where he joined the RSCDS and became a member of the Aberdeen Branch demonstration team. In 1974 he went with VSO to Nigeria and taught English at Gummel near Kano. While in Africa he was the co-author of an English textbook which is still a standard in Nigerian schools. He returned to Scotland in 1976 and taught modern studies in Hamilton, near Glasgow: a Protestant teacher in a Catholic school. Throughout his life he was an active member of the Church of Scotland.

He quickly established himself in Glasgow Branch and was invited to join the Demonstration Group; he took part in many demonstrations and in several presentations of "A Glasgow Flourish". In the "Flourish" of 1981 the role of the nineteenth century Dancing Master appeared well suited to him. In 1977 and 1978 he gained his RSCDS teaching certificates.

Tom was elected to the Branch Committee in 1980 and in 1983 was elected Branch Secretary, a post he held until his departure for London. Tom displayed considerable administrative skill; thorough planning and preparation characterised his approach and he could be relied upon to complete any task punctually and efficiently. His organising talents proved to be a great advantage in 1984 when much of the responsibility for the arrangements for the Society's Annual General Meeting in Glasgow had to be assumed by Tom as Branch Secretary and again in July 1986 when Glasgow hosted the Jean Milligan Memorial Weekend.

In 1983 Tom accepted an invitation to teach the Glasgow Branch advanced class. Although often firm in manner and demanding in his approach, he proved to be a popular teacher. Thorough and imaginative preparation, combined with a good musical knowledge, ensured a quality of teaching which was greatly appreciated.

In 1987 he moved south and became Assistant Secretary (Academic) at the British College of Optometrists in Earls Court where he was responsible for running examinations. He had a stint teaching a London Branch beginners' class and was then a very successful teacher of the advanced class. He also served on the London Branch Executive Committee and at the time of his death he was business editor of "The Reel".

He represented in turn Twin Cities, Glasgow and Vancouver on the Society's Executive Council. He was elected to the Publications and Research Committee in 1986 and spent four years on the sub-committee preparing the new RSCDS Manual. The work was challenging and demanding, yet despite failing health Tom played a full and vital part in the sub-committee's deliberations. His success as a teacher resulted in frequent invitations to teach at Summer School in St. Andrews, and at day and weekend schools throughout Britain and abroad.

Scottish dancers everywhere are grateful for what Tom gave to the RSCDS and profoundly regret his passing. Our sympathies are extended to his parents and to Andrew.
